Impact & Risk Score

7.2
out of 10

Activities

To create impact, Tinung Rambu strives to:

- Create employment opportunities
- Provide goods and services
- Ensure women are part of the impact goal
- Provide trainings
- Facilitate access to goods and services
- Conduct climate mitigation activities

Tinung Rambu provides training (i.e.). It has conducted 2 training sessions in the last 12 months, equipping 17 people with new skills and knowledge. Each training session is 1 hours on average. Beneficiaries are required to practice their learnings after receiving training.

Outcomes

As a result of its intentions and activities, Tinung Rambu has achieved the following outcomes:

- Increased income
- Improved access to clean water, sanitation, and hygiene
- Natural resource conservation
- Increased skills and knowledge/ education
- Women's empowerment
- Biodiversity conservation in the water

It also contributes to the following SDGs:

- SDG 1: No Poverty
- SDG 5: Gender Equality

Recommendations

IIX recommends the following actions be undertaken by Tinung Rambu to better measure, communicate and magnify its impact:

- Establish effective systems and processes to collect feedback from existing and new beneficiaries in order to better align products/ services with beneficiaries' needs
- Disaggregate impact data collected by gender to ensure that impact on women is more intentional and women beneficiaries are treated with respect and able to participate in decision making
